

Immigrant students in  
Europe suffer from  
lower grades: some  
social and scholastic  
features are the key  
to explain it

---

Giulia Bergonzoli, Ettore Busani,  
Sebastian Castellano, Lucia Gregorini

- How do immigrant students fare up when it comes to their academic success?

- What are the main differences in the best European countries with respect to integration to help these students?

Come and have a look at what we found!
